

Centennial Park Sponsorship Opportunities

LIVE UNITED®

Since 1923, United Way of Central Alabama (UWCA) has served our region faithfully to meet the immediate and long-term needs of residents. You can help United Way fight for the health, education and financial stability of every person in every community. Your sponsorship of our Centennial Parks will help offset costs and enable us to engage our community in a meaningful and joyful way while honoring our partners, volunteers and donors.

Centennial Parks

In addition to our Forever United campaign that's working toward an exciting goal for our endowment fund, we are continuing our tradition of service by embarking on commemorative community projects in each of the six counties we serve. These projects will center on the construction of community parks, with the goal of long-term partnerships that go beyond installation. Annual cleanups and beautifications, as well as potential expansions in the future, will create ongoing volunteer service opportunities within each community. One park site will be selected in each of the six counties served by UWCA.

Park Features

Outdoor Classroom Pavilions: Outdoor classrooms are excellent multi-use facilities for civic clubs, church groups, neighborhood associations and other groups.

Amenities and Elements: The parks will include both fitness and play equipment, such as swings, pickleball courts and other equipment for public use. Each park will have a variety of amenities customized to the needs of the community. There will also be other recreational amenities, such as BBQ grills, picnic tables, benches and garden elements.

How You Can Help

United Way is seeking corporate and community partners who will invest in these community parks. The parks will be actively built with volunteer labor coordinated by the United Way Hands On team. Each project will be built in a one-to-three-month timeframe based on location and permitting requirements.
