

WE NEED YOUR HELP

CELEBRATING VOLUNTEERS BY EQUIPPING VOLUNTEERS

Now in its 5th Year, the IGNITE Volunteer Awards Celebration hosted by United Way Hands On will celebrate virtually over 100 unsung heroes who have contributed to the success of the community we live in and love.

To help us celebrate, we would like to invite you to help us equip our volunteers by contributing to the purchase of a mobile tool trailer filled with materials and supplies. Hammers and nails, lumber, paint and paint brushes, trash bags, brooms, mops, vacuums, flooring and even drills and batteries. When our volunteers are willing, with your help, United Way Hands On will be ready.
